The key box is stored in the storage compartment on the side of the vehicle,

so enter the number to take out the key and close the side storage compartment.

(The key box number is different for each customer, so it is written on the rental certificate.)

CRESSON JOURNEY

AMITY

Please store the key box in the driver's seat.

※Storing it in the initial storage location may cause it to move during driving and damage the storage compartment.

【 If you come by car 】

You can park your car in the camping car parking space by switching over, so please feel free to use this space.
